

CLINICAL DAY IN OPHTHALMOLOGY 2018
Pediatric Ophthalmology – “There’s Nothing to be Afraid of...”

Friday, May 11, 2018

London Convention Centre – Ballrooms 4 & 5
Second Floor - 300 York Street - London, Ontario N6B 1P8

Generously Supported By:

- The Ophthalmology Clinical Day Fund
- The GV Simpson Lectureship in Ophthalmology

COURSE OBJECTIVES

- To review techniques for examining children, including those with low vision
- To review neuro-ophthalmologic pathology that occurs in the pediatric population
- To develop an approach to the child with swollen optic nerves
- To review current concepts in pediatric ophthalmic surgery, including strabismus and refractive surgery

You will

- Hear presentations from recognized national and international speakers
- Learn about the current state of vision screening in Southwestern Ontario, and review amblyopia management
